What can we improve?

We asked if there is anything you think we could improve. These are some of your suggestions with a little information of how we are already working on them. Also look out for more information and updates on the newsletter.

Donnington Wood Infant School & Nursery Parent Questionnaire (Nov 2017) Results Summary for Parents February 2018

A big thank you to everyone who completed a parent questionnaire in November. We were really pleased with the overwhelmingly positive responses from parents. We had 103 responses and the results are inside this leaflet. On the back you will find your suggestions for improving our school and how we are already working on them.

We would really appreciate it if you would share your views with Ofsted online through 'Parent View'. This gives you the chance to tell Ofsted what you think about your child's school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; you don't have to wait until the school is being inspected. Ofsted will use

the information you provide when making decisions about which schools to inspect and when.

You can access Parent View from the link in the 'Parents' section (yellow pencil) of our school website http://donnington.schooljotter2.com/ or at https://parentview.ofsted.gov.uk/
