Supervision

We have continued to have problems this week with Junior School children playing unsupervised around the site while waiting to collect siblings at the end of the day. In one incident a child was injured by another child while playing unsupervised. We have discussed this with Mr Fox at the Junior School so he is aware of the problems.

Children must not play unsupervised on the school grounds but must wait with their adults at the end of the day. School is not responsible for children before the start or end of the school day or nursery session. If these issues continue, particularly with older children from the Junior School, we will be forced to keep the gates closed until just before end of the day.
