Newsletter

Friday 7th September 2018

It has been really good to see everyone back in school and nursery this week. A big welcome to all the new children and their families in school and nursery. Everyone has settled really well and we are looking forward to an exciting term of learning. The children all look really smart in their uniform. Please remember to label everything with your child's name.

Early Bird is back!

We are really excited to announce that from Monday 10th September we will be offering a healthy snack again as children arrive at school. Through the National Schools Breakfast Programme we will be offering toasted bagel in class until 8:55 when registers start.

Staying safe online

We have been advised that there is a new APP that is going viral among many (primary and secondary) school age pupils. The APP is called DOKI DOKI (literature club). The game is advertised as a school dating app and does not require parental checks to download. It is a free APP and although users should be 13+ years children can easily agree to being over the age. Once downloaded, children have ready access to their own account. The APP begins as a colourful and light-hearted game but takes a sinister turn within an hour of children playing where their online friend starts to talk about depression and eventually commits suicide. The NSPCC Online Safety team are aware of the APPs existence. This information is being shared with parents to support them in keeping children safe online.

Reading at Home

Children in Year 1 and 2 will be starting to bring books home to read. We are having a few glitches with the scanning system which means some children are not able to scan books to borrow. Please be patient while these glitches are sorted next week. It is really important that children read as often as possible. Please write in your child's Reading Record every time they read so they can collect prizes in school.
