Awarded by Arts  
Council England

It has been another busy week in school and nursery with lots of new learning. During the wet and cold weather please make sure your child has a warm coat, hat and gloves in school or nursery every day

## Driveway and parking

Governors met this week and discussed the ongoing concerns about the driveway and unauthorised vehicles driving onto the site risking the safety of pedestrians. They discussed a number of options and agreed the following—

- Only authorised cars may park on the site (staff and visitors to the Children's Centre) in designated parking areas
- Only blue badge holders may drive onto the school site for drop off / collection. The blue badge holder must be getting out of the car to drop off / collect. The blue badge holder must display their badge at all times and a permit must also be obtained from the school office giving permission to park
- The local policing team will continue to support us in monitoring the situation including the reporting vehicle registrations of unauthorised vehicles on the school site
- If a parent or carer becomes verbally aggressive or abusive towards staff monitoring parking then we will consider issuing a ban from the site
