On Wednesday Classes 3 and 4 enjoyed a visit to Wrekin Forest School. The had a very busy day filled with lots of different activities.

On Thursday the children in school took their school reports home. We hope you have been able to celebrate your child's achievements this year and the progress they have made. We are really proud of every one of them!

This week we have changed the IT software in the school office. This may mean you start to see some slightly different paperwork coming home, particularly for attendance. It is really important that you keep us up to date with any new phone numbers or changes of address.
