On Tuesday we held an open afternoon in school so children could share their work from the year with parents. We hope you are as pleased as we are with everyone's hard work this year.

Today we are saying goodbye to our Year 2 children as they move on to their new schools. Mrs Povey, Miss Haslam and Miss Carpenter are also leaving us and we wish them all the best for the future. You may have noticed a few things moving round in school this week. During the holidays some alterations are being made to the main entrance area so the office can be moved to a better location. Breakfast Club has already moved to what until this week was the staffroom and is much easier to access from the front door.

We hope everyone has an enjoyable and happy summer break and we look forward to being back in September and welcoming new children to nursery and school.

Space Chase Summer Reading Challenge

Grab your space suit and take a giant leap into the library this summer! Taking part in the Summer Reading Challenge is simple - when your summer holidays start, you can sign up

for free at your local library. You'll receive your very own Space Chase mission folder to get you started. Read six library books (or more!) over the holidays to collect special stickers to add to your folder. Collect all the stickers to find the aliens, save the missing books and complete the Challenge.
