

Ofsted Inspection June 2019 - 'Leaders place a high emphasis on ensuring that pupils are healthy and have access to good-quality physical education (PE) and games teaching. They ensure that the PE and sport premium funding for primary schools is used effectively to broaden the range of sporting opportunities available to the pupils and to support their well-being. Pupils have experienced many sporting experiences with other local schools such as an annual 'Mini Olympics'. All pupils in school take part in twice-weekly games and PE lessons. Teachers have received training to develop their skills in teaching specific activities, such as tennis, cricket and dance.'
