Headteacher: Mrs C Boddy

learning, caring, preparing

This term we would like to launch our new Facebook page.

Please visit <https://www.facebook.com/donningtonwoodinfantschool>

Please be aware that we have had a few issues setting up the account, so make sure you get the right one. There is an old one that is not active anymore. Use the image below to help you find the right one. There is also a direct link to the page on our school website home page.

We will also still be running our school twitter page. This can be found at <https://twitter.com/donnwoodinfants>

Facebook and Twitter are great ways to communicate quick messages and reminders to our school community. We will also be using it for photos to celebrate things that are going on in school. We hope by using social media we will further improve communications between the school and the community.

We would remind all parents that social networking sites are not an appropriate place to discuss any concerns or opinions you may have. We request that parents **do not** start **any** conversations or comment on **any** posts that school put on. It is purely a way for us to get information to you. Any abuse of this will result in you being blocked from the page. The page will be monitored by staff regularly. Please email or ring the office if you have any concerns. This is a trial and if we feel it is not working, then we will be forced to take the page down.
