

Donnington Wood Infant School & Nursery

Newsletter

Friday 25th September 2020

We are really proud of how everyone has settled back in to school and nursery. We are also thrilled that attendance has been really good in school so children can have the best chance of catching up on any missed learning from the last six months. There will be more information next week about reading at home. It has been necessary to make a few changes to try to keep everyone as safe as possible.

Attendance

Whole School— 93.12%
Class 1— 95.04%

HM Government

Thank you to everyone who is socially distancing when waiting to drop off or collect your child.

With the tighter restrictions announced this week it is vital that we maintain the 2m distance at all times.

- Please avoid arriving at school or nursery early to drop off or collect.
- Please leave the site as soon as you have dropped off or collected.
- Any children with adults before or after school / nursery must stand by their adults at all times.
- Please make sure that you are socially distancing on the footpaths when you are waiting for the gates to open at the end of the day.

Telford & Wrekin have released a short video about dropping off and collecting at school and nursery. There is a link to it on our Facebook page and website.

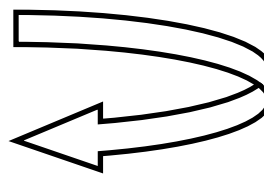

Parent Governor Vacancy

Are you passionate about our school and nursery being the best they possibly can be? Could you use your skills as part of the Governing Body team to achieve this?

If you are interested in becoming a parent governor then please let us know. If you would like to know more about being a Governor then please talk to Mrs Boddy.

Starting school?

Closing date for applications:
15 January 2021

www.telford.gov.uk/admissions

- You **must** apply if your child was born between 1 September 2016 – 31 August 2017.
- You **must** apply even if your child is attending a nursery or pre-school on a school site or you have a child already attending the school.
- Attending a nursery does **not** guarantee a school place.
- If a child has an Education, Health & Care Plan the closing date is 31 October 2020 for all applications.
- School places are allocated in line with oversubscription criteria.
- See website for more information www.telford.gov.uk/admissions or contact School Admissions at admissions@telford.gov.uk

We have had problems this week with people parking on the zigzag yellow lines outside school. The lines are there to keep everyone safe when arriving at or leaving the site.

Please keep everyone safe and do not park on the yellow zigzag lines.

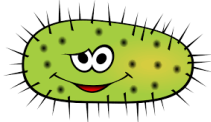

If your child is in nursery or Reception and you have not received an activation email (please check your junk and spam boxes) then please let us know.

Once we have Tapestry up and running in Nursery and Reception we will be opening it up to parents of children in Year 1 and 2.

Illness

- Act quickly if your child is showing any signs of illness - anyone showing symptoms (high temperature, new persistent cough, loss of taste/smell), adult or child, should not attend school / nursery or come on to the site.
- Anyone (child or member of staff) with symptoms will go home immediately and return following government guidelines
- Please notify the office if your child is absent. You must give us the reason for their absence as we are currently required to report certain symptoms.
- Testing
- If your child or someone in your household has symptoms they will need to be tested and everyone in your house will need to self-isolate.
- If the test result is negative then you must email the result to us and we will contact you to confirm that your child can return.
- If the test is positive then self-isolation will need to continue for 14 days.

Thank you to everyone who is sending their child with a named water bottle.
Children should only have water (not juice, squash, pop or fizzy drinks) in their water bottles. Bottles will come home each day to be washed .

Don't forget— school dinners are free for all full time children in school.
