29th September 2020

Dear Parents

In the last few days you may have seen reports that Police have visited one school in Telford to remind parents about social distancing and not gathering in groups. The school was informed that the Police can issue fines of £200 if social distancing rules are not being followed.

Shropshire parents told to follow Covid rules at drop-off or face £200 fine

Locally we are not facing the tighter restrictions imposed on some towns and cities. We want this to continue and avoid a local lockdown. Many parents are doing everything they can to follow guidance and rules. We are concerned that there are still some issues at particular times of the day and places

Waiting for the gates to open

If you are waiting for the side gates to open at the end of the day, **please make sure you are socially distanced**. The gates open around 2:50 so please do not arrive earlier than this. If you do arrive early then wait out on the pavement or in your car

Parents chatting with or waiting for other parents after morning drop-off

Please leave the site as soon as you have dropped off your child(ren). If you are waiting for another parent then please wait out on the pavement and maintain social distancing.

Parents collecting from the playground

Most parents are maintaining social distancing when waiting at the end of the day. As soon as the doors open, however, parents are moving forward towards the classrooms and social distancing stops. **Please stay in your space on the playground and staff will send your child out when they can see you.**

Groups of parents dropping children off

Please only go to your child's drop-off place. Please do not go to other areas with friends / other families.

We are hoping that these reminders will ensure social distancing is maintained. If we continue to have problems we will have to consider introducing more drastic measures for drop-off and collection times. Please do not hesitate to contact us if you have any questions or queries. You can either phone the office (386640) or email us (donnwood.infants@taw.org.uk).

Yours sincerely
Mrs C Boddy
