

Donnington Wood Infant School & Nursery

Newsletter

Friday 2nd October 2020

A big thank you to everyone who is helping to keep our school and nursery as safe as possible by keeping social distancing rules. There are rumours in the press and online that there may be a 2 week lockdown in October. We have received no information about this so are expecting school and nursery to be open until Friday 23rd October when we finish for half term (one week off).

This week children in school have started to bring home reading books. Books will come home on Mondays and must be returned on a Friday. The books will then be quarantined over the weekend ready for changing on Monday. Your child does not

need to bring their reading book to school every day, we have other books in school for children to read during the week. We realise this is different to last year but is necessary to meet current guidance and try to keep everyone as safe as possible.

The coronavirus pandemic has highlighted to many people how important it is to take care of their health, taking care of your long term health includes maintaining a healthy weight, keeping active and quitting smoking which are all part of living a healthy lifestyle.

To help you with making changes to your lifestyle we have a NEW e-mail programme from the Healthy Lifestyle Team to guide you through all you need to know about getting healthy.

Sign up to our FREE support and you'll receive messages over a 12 week period that introduces a different topic each week to help you make the changes you chose. We will also send you weekly messages with tips and ideas for you to try out. We will include videos, case studies and useful links to help you reach your goals.

You can contact us for additional help if you feel you need it, as well as joining the Healthy Lifestyles Chat group on Facebook for support from others on their journey <https://www.facebook.com/groups/4921986791160613>

So sign up today to start your journey and receive your welcome email with more information <https://public.govdelivery.com/accounts/UKTW/signup/18627> and don't forget to share your journey using the hashtag #LetsGetTelfordHealthy on Facebook, Twitter or Instagram.

The Healthy Lifestyle Team

If your child is in nursery or Reception and you have not received an activation email (please check your junk and spam boxes) then please let us know.

We are now getting everything set up for parents of children in Year 1 and 2.

Please make sure your child has a coat in school or nursery every day

Illness

- Act quickly if your child is showing any signs of illness - anyone showing symptoms (high temperature, new persistent cough, loss of taste/smell), adult or child, should not attend school / nursery or come on to the site.
- Anyone (child or member of staff) with symptoms will go home immediately and return following government guidelines
- Please notify the office if your child is absent. You must give us the reason for their absence as we are currently required to report certain symptoms.
- Testing
- If your child or someone in your household has symptoms they will need to be tested and everyone in your house will need to self-isolate.
- If the test result is negative then you must email the result to us and we will contact you to confirm that your child can return.
- If the test is positive then self-isolation will need to continue for 14 days.

Starting School September 2021

If you have a child born between 1st September 2016 and 31st August 2017 you must apply online at www.telford.gov.uk/admissions

There are no paper application forms.

Even if your child is in our nursery you must apply online by 15th January 2021

If you have any questions or do not have access to the internet please talk to the office.

Parents of children in Year 2 will need to apply for Year 3 (Junior School) using the same online system.
