

Information about Letters and Sounds at Home

learning caring preparing

As you are aware, we teach phonics every day in school as the key method for teaching children to read. The programme we use is called Letters and Sounds.

There are some new videos available via YouTube for parents to access at home with their children to support their learning.

The lessons are for this Autumn Term for Reception and Year 1 children.

There are also Year 2 Phonics Screening Check Revision lessons. These will be useful for Year 2 children as they will be taking the Phonics Screening Check in December 2020.

Please follow this link to access the videos
