4th November 2020

Dear Parents

This week we are anticipating changes to restrictions across the whole country from tomorrow in an effort to reduce the impact of the current COVID19 pandemic. We are making some changes from tomorrow to ensure we are doing everything we can to keep everyone as safe as possible.

Face coverings

From tomorrow, in order to reduce the risk of transmission we are now going to require all adults and secondary age pupils to wear a face covering on our school site. This does not apply to children under the age of 11 or if you are medically exempt. Please ensure you have a face covering at drop off and collection times and do not be offended if members of the staff ask you to wear one. School staff who are on the playground or talking to parents will also be wearing face coverings. This guidance is the same across the local authority for all schools.

Social distancing

From tomorrow, please make sure that you **maintain social distancing between your family and anyone from a different household.**

Waiting for the gates to open

If you are waiting for the side gates to open at the end of the day, **please make sure you are socially distanced.** The gates open around 2:50 so please do not arrive earlier than this. If you do arrive early then wait out on the pavement or in your car

Parents chatting with or waiting for other parents after morning drop-off

Please leave the site as soon as you have dropped off your child(ren). If you are waiting for another parent then please wait out on the pavement and maintain social distancing.

Groups of parents dropping children off

Please only go to your child's drop-off place. Please do not go to other areas with friends / other families. If at all possible **no more than one adult per family** for drop off or collection to reduce the number of people on site.

We are expecting updated government guidance on Thursday so we will update you if there are any further changes which need to be implemented.

Thank your continued support in doing everything we can to keep everyone safe. Please do not hesitate to contact us if you have and questions or queries. You can either phone the office (386640) or email us (donnwood.infants@taw.org.uk).

Yours sincerely
Mrs C Boddy
