# Newsletter

Friday 15th January 2021

In school and nursery this week the children have been really busy with their learning and activities. The children in school are following the same activities each day as the children at home. The home learning pack lasts for 10 days so we will be delivering new packs at the start of next week ready to start on Wednesday. The new pack is themed around the story of Hansel and Gretel.

It has been really great to see lots of work on Tapestry. Teachers all have time during the week to check Tapestry and reply to your messages. We really love seeing how busy you are at home. If anyone is not yet using Tapestry please talk to your child's teacher when they

phone you and we will help get you set up.

Each week your child's teacher will call you to check how everyone is and see how home learning is going. If there is anything we can help with then please let us know. It does not have to be learning related and if it is not something we can do we will find out who can support you. These are difficult times for everyone and we want to make sure our school community has as much support as possible.

## Free School Meals

Vouchers have been ordered and as soon as they arrive they will be delivered to you. You will receive £15 per week, per child. We are hoping to deliver vouchers every two weeks. Each Free School Meals eligible school child at home will also receive a Breakfast Pack every two weeks. These are being provided by Magic Breakfast who we work with to provide bagels and breakfast when school is fully open. Children attending school will continue to receive free meals and access to bagels every day.

If you did not receive vouchers last Summer during the lockdown but think you may be entitled now then please contact the school office.

**We must keep on protecting each other.**
