Newsletter

Friday 26th February 2021

We hope everyone has enjoyed getting started on the new home learning pack this week. We have seen lots of penguins and boats and know lots of people have enjoyed reading the story of 'Lost and Found'.

We are really excited that we will be seeing everyone back in school and nursery from Monday 8th March. We will send out more information next week about this for parents and children. We will also post all the information on the COVID-19 page on the website. We know that there will be a mix of excitement and nerves about returning to school (for children and parents) and we are working hard to make sure everything is in place to welcome everyone back and keep everyone as safe as possible.

Online Meet Up

Next week, as part of getting ready for returning to school, we want to invite each child (school only) who is home learning to join an online meet-up (using Teams) with their teacher and some children from their class. A group of children from Class 3 tried this out for us just before half term with Mrs Jones and Mrs Marshall and it worked really well. All the information for this will be sent out on Monday, including the invite (via Tapestry) and a guide for parents (via email). Please make sure you have looked at the information so you know what to expect. You will be able to access the meet-up from any device (mobile phone, tablet, laptop etc). Each class has a day for the meet-ups. Your child's time slot will be sent on Monday (via Tapestry).

Tuesday 2nd March—Class 2, Class 6

Wednesday 3rd March—Class 1, Class 3, Class 5

Thursday 4th March—Class 4

Check out the Home Learning page on the school website for lots of links to online learning activities, videos and games to enhance and support the 'Lost and Found' learning pack. You can also find more information about the Parent Questionnaire about Home Learning and how we have responded to your suggestions

GETTING A COVID-19 TEST

in Telford and Wrekin

You **MUST** get a test if:

You have at least **one** of the three main symptoms.

High temperature

New persistent cough

Loss of taste or smell

ISOLATE as soon as symptoms show, while waiting for test results **and if you test positive.**

You **CAN** get a test for these precautionary symptoms:

Headaches

Aches and pains

Feeling very tired for no good reason

Sore throat

Runny nose

Sneezing

Tummy ache in children

You **DO NOT NEED TO ISOLATE** if you have **only one or more of these precautionary symptoms**, or while waiting for test results for these precautionary symptoms.

You only need to isolate if you test positive or have at least one of the three main symptoms.

Book a test at nhs.uk/coronavirus

For **precautionary symptoms testing** select:

'My local council or health protection team has asked me (or someone I live with) to get a test, even though I do not have symptoms.'
