

Donnington Wood Infant School & Nursery

Newsletter

Friday 5th March 2021

Thank you to everyone who joined a Teams meet-up this week. We know that some parents had some technical glitches and were not able to join but we really enjoyed chatting with the children who did manage to join the meet-ups. On Thursday we had a remote visit from Ofsted to look at our remote (home) learning and see if it was effective. We will receive a letter with the feedback from Ofsted in a few weeks and we will share this with you when it arrives. Thank you to everyone who filled out the questionnaire on Parent View. This gave Ofsted a really good picture of how parents feel about school & nursery and the current home learning.

We are really looking forward to seeing everyone on Monday. Although we love seeing work on Tapestry, it will be so much better to have everyone in nursery and school. Earlier this week we sent out information about next week. There are some highlights below and the full information is on the COVID 19 page on the website along with some ways to support your child.

Monday 8th March

Please bring all your home learning books & sheets back to school on Monday in a carrier bag. Don't worry if you haven't finished everything, still bring everything back. You can keep the scissors, ruler, glue sticks, counters, penguins etc at home.

Children must bring in their own water bottle and take it home for careful washing each day

Children in school must wear school uniform and will need a PE kit in school every day.

Drop off and pick up are the same routines as last term. Please remember.....

- all adults and secondary age pupils to wear a face covering on our school site. This does not apply to children under the age of 11 or if you are medically exempt. Please ensure you have a face covering at drop off and collection times and do not be offended if members of the staff ask you to wear one. School staff who are on the playground or talking to parents will also be wearing face coverings
- avoid arriving early for your child's session so we can avoid people queuing or gathering
- maintain social distancing between your family and anyone from a different household. All children must remain with their parents at all times, including older children.
- Please only go to your child's drop-off place. Please do not go to other areas with friends / other families. If at all possible **no more than one adult per family** for drop off or collection to reduce the number of people on site.

Unfortunately parents are currently not allowed into school or nursery. Any messages can be given to a member of staff on duty outside or by phoning / emailing the school office

In Golden Book This Week

All the children attending nursery and school for being amazing!

All the children learning at home for their super hard work!

All the parents who have worked so hard to support home learning— well done!

All the staff in school and nursery for their hard work over the last 9 weeks supporting those learning at home and the children attending.

We are so proud of our whole school community!

Breakfast Club

7:45—8:45 £2 per day
More information available in the school office.

Please come to the hall door for Breakfast Club.

We must keep on protecting each other.

GETTING A COVID-19 TEST

in Telford and Wrekin

You **MUST** get a test if:

You have at least **one** of the three main symptoms.

High temperature

New persistent cough

Loss of taste or smell

ISOLATE as soon as symptoms show, while waiting for test results and if you test positive.

You **CAN** get a test for these precautionary symptoms:

Headaches

Aches and pains

Feeling very tired for no good reason

Sore throat

Runny nose

Sneezing

Tummy ache in children

You **DO NOT NEED TO ISOLATE** if you have **only one or more of these precautionary symptoms**, or while waiting for test results for these precautionary symptoms.

You only need to isolate if you test positive or have at least one of the three main symptoms.

Book a test at nhs.uk/coronavirus

For **precautionary symptoms testing** select:

'My local council or health protection team has asked me (or someone I live with) to get a test, even though I do not have symptoms.'
