

Donnington Wood Infant School & Nursery

Newsletter

Friday 12th March 2021

It has been brilliant this week to have everyone back in school and nursery. The children have told us that they love seeing their friends again and being able to play together. We have really enjoyed catching up with the children and helping them get settled back into routines and learning in nursery and school.

Thank you to everyone who brought back their home learning. The work is currently being quarantined but we are looking forward to having a close look at it next week. If you haven't brought your child's work back yet then please bring it on Monday.

Attendance this week has been very high—thank you to everyone for getting back into routine and getting to school every day. Thank you also to everyone for socially distancing on the school site. We appreciate that it is hard with lots of people coming and going but it has really helped this week run smoothly.

Attendance

Whole School— 93.36%

Class 1— 97.23%

Class 2— 90.61%

Class 3— 93.30%

Class 4— 98.33%

Class 5— 91.36%

Class 6— 87.82%

2s Nursery— 88.35%

3s Nursery— 96.46%

Lates - 10

Lost learning =
2h 52mins

Early Bird - Class 1

Rainbow Garden

Last summer the children who were attending school and nursery helped to create the Rainbow Garden. The whole space was created using found and donated materials.

We are so proud of what was achieved and shared this with the Royal Horticultural Society (RHS). They have shared it on their website (you can find a link from our Facebook page).

We are looking forward to continuing to develop the Rainbow Garden in the coming months with everyone in school and nursery.

7:45—8:45

£2 per day

More information available in the
school office.

Please come to the hall door for
Breakfast Club.

Testing

Adults in households with primary school, secondary school and college age children, including childcare and support bubbles, are advised to test themselves twice every week at home. The twice-weekly test kits in Telford & Wrekin (for people feeling well, with no coronavirus symptoms) can be accessed 1:30-7pm from any testing site (the nearest is Donnington Wood Bowling Club, School Road, Donnington, Telford, TF2 8HU).

Anyone with main or precautionary coronavirus symptoms is advised to book a test immediately at one of the borough's NHS 'Test and trace' sites.

In Golden Book This Week

Class 1

Saa & Anisia

Class 2

Blake & Amina

Class 3

The whole class

Class 4

The whole class

Class 5

Water Bottles

Please make sure your child has a water bottle in school everyday. If your child has a different drink for lunchtime then please put this in their lunch box. Water is available for all children in the hall at lunchtime.

Reading at home

This week we have started checking where children are with phonics and reading. Home reading books will come out next week along with some information to help parents with reading at home.

Reading at home is really important to give children as many opportunities as possible to become fluent and confident readers.

The system will be the same as last term with new books coming home on Monday and being returned to school on Friday. This system allows us to keep everyone as safe as possible.

GETTING A COVID-19 TEST in Telford and Wrekin

You MUST get a test if:

You have at least **one** of the three main symptoms.

High temperature

New persistent cough

Loss of taste or smell

ISOLATE as soon as symptoms show, while waiting for test results and if you test positive.

You **CAN** get a test for these precautionary symptoms:

Headaches

Aches and pains

Feeling very tired for no good reason

Sore throat

Runny nose

Sneezing

Tummy ache in children

You **DO NOT NEED TO ISOLATE** if you have **only one or more of these precautionary symptoms**, or while waiting for test results for these precautionary symptoms.

You only need to isolate if you test positive or have at least one of the three main symptoms.

Book a test at nhs.uk/coronavirus

For precautionary symptoms testing select:

'My local council or health protection team has asked me (or someone I live with) to get a test, even though I do not have symptoms'.
