

Donnington Wood Infant School & Nursery

Newsletter

Friday 7th May 2021

Everyone has enjoyed seeing the ducklings grow this week and it is hard to imagine they arrived in eggs just 10 days ago. The ducklings have now gone to their new home but we are hoping to have regular updates and photos so we can see how they change and grow.

Supervision

Please can we remind parents that children remain your responsibility before and after school & nursery sessions. Children need to stay with parents. This is particularly important if you use the main entrance as this is a road. We discourage vehicles on site but this week concerns have been raised about children walking and running down the drive ahead of parents when vehicles have been entering and leaving the site. We want to keep everyone safe so please make sure your children are with you at all times.

**Photo orders
must be returned
by
9am Monday
17th May**

**Please make sure you contact the
office—386640 or
donnwood.infants@taw.org.uk if
you change your phone number
or move house so that we have
up to date contact details for you.**

PSHE Policy

Staff and Governors have been working to review our PSHE (Personal, Social and Health Education) policy to ensure it meets the new government RHE (Relationships and Health Education) statutory requirements for Year 1 & 2. We want parents to have the opportunity to view and comment on the policy. Please contact the school office and they will forward you a copy. Any comments need to be returned by 28th May.

Testing

Adults in households with primary school, secondary school and college age children, including childcare and support bubbles, are advised to test themselves twice every week at home. The twice-weekly test kits in Telford & Wrekin (for people feeling well, with no coronavirus symptoms) can be accessed from any testing site (the nearest is Donnington Wood Bowling Club, School Road, Donnington, Telford, TF2 8HU).

Anyone with main or precautionary coronavirus symptoms is advised to book a test immediately at one of the borough's NHS 'Test and trace' sites.

Breakfast Club

7:45—8:45

£2 per day

More information
available in the school
office.

**Please come to the hall
door for Breakfast Club.**

Water Bottles

Please make sure your child has a water bottle in school everyday. If your child has a different drink for lunchtime then please put this in their lunch box. Water is available for all children in the hall at lunchtime.

Parking

To help keep pupils and parents safe on the school site we request that you do not drive onto the school site at the start or end of the day or nursery session. Please do not park in the Children's Centre car park.

Disabled parking spaces are available in the car park by the Nursery entrance and the Children's Centre car park. If you need to use one of these spaces please talk to the school office to request a permit and make sure you also display a valid blue badge.

PE in school

Children in school must wear school uniform everyday and have their PE kit in school all week.

Reception

PE on Monday & Friday
Year 1

PE on Wednesday & Friday
Year 2

PE on Tuesday & Friday

GETTING A COVID-19 TEST in Telford and Wrekin

You MUST get a test if:

You have at least **one** of the three main symptoms.

High temperature

New persistent cough

Loss of taste or smell

ISOLATE as soon as symptoms show, while waiting for test results and if you test positive.

You **CAN** get a test for these precautionary symptoms:

Headaches

Aches and pains

Feeling very tired for no good reason

Sore throat

Runny nose

Sneezing

Tummy ache in children

You **DO NOT NEED TO ISOLATE** if you have **only one or more of these precautionary symptoms**, or while waiting for test results for these precautionary symptoms.

You only need to isolate if you test positive or have at least one of the three main symptoms.

Book a test at nhs.uk/coronavirus

For precautionary symptoms testing select:

'My local council or health protection team has asked me (or someone I live with) to get a test, even though I do not have symptoms'.
