Newsletter

Friday 6th May 2022

On Tuesday a group of Year 2 children took part in a Tennis Festival along with other schools from across Telford. The children were brilliantly well behaved and took part enthusiastically. We are so proud of how well they represented our school.

This week we are sending home information about the learning in each year group for this term. One page gives you an overview of the term and the back gives more detail. The information is also available on your child's class page on the website. If you have any questions then please ask your child's teacher.

Staying Safe Superstars

This week we had the first meeting of our new 'Staying Safe Superstars'. The group of Year 2 children met to share ideas about Online Safety. Later in the term the team of Superstars will grow to include children from Year 1. They will be supported by Mrs Campbell and Mrs Varley. The group will meet regularly to talk about how they can keep school and nursery safe. This might

include safety on site, online safety or ways to help children feel safe. They will also be involved in sharing 'staying safe' ideas with others through regular assemblies.

Wellbeing Week 9th—13th May

Next week we are taking part in some activities in school to promote healthy lifestyles. We are encouraging the children (and adults!) to be as active as possible and make healthy food choices.

Walk or wheel to school.

There will be a small prize for every child in school who walks or wheels (bike or scooter) to school at least 3 times over the week. If you usually come by car try parking little further away and walking the last part of your journey
