## What can we improve?

We asked if there is anything you think we could improve. These are some of your suggestions with a little information of how we will be working on them this year. Also look out for more information and updates on the newsletter.

Your	Our feedback		
suggestions			
More After school clubs	Last year we increased the number of clubs so they ran 4 days a week. Clubs were very popular with more children requesting places than we could offer. Some clubs are restricted in size for safety reasons.  2022-23 We will look at ways to increase the number or size of after school clubs.		
More travel to cinema / theatre	many of these experiences, and we aim to keep requests for		
Parking spaces	For health and safety reasons we are not able to offer parking on site (other than disabled blue badge holders). We would encourage as many families as possible to walk (bike or scoot) to school.		
More info on day to day studies / feedback about concerns & progress	At the start of each term parents receive information about their child's learning for that term. This information is also available on the school website. Parents in Nursery and Reception can use Tapestry to see observations of their child completed by staff. We are not able to give individual daily updates on learning. If parents have a particular question or concern, then they can arrange to speak to their child's teacher. Teachers will make contact with you if they have a concern about your child.  2022-23 We will look to get back to the regular opportunities we had (pre-COVID) for parents to come into school and find out more about their child's learning and life in school.		

## Donnington Wood Infant School & Nursery Parent Questionnaire (July 2022) Results Summary for Parents

A big thank you to everyone who completed the parent questionnaire in July. We were really pleased with the overwhelmingly positive responses from parents. We had 68 responses and the results are inside this leaflet. On the back you will find your suggestions for improving our school and our response to these.

We would really appreciate it if you would share your views with Ofsted online through 'Parent View'. This gives you the chance to tell Ofsted what you think about your child's school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; you don't have to wait until the school is being inspected. Ofsted will use the information you provide when making decisions about which schools to inspect and when.

You can access Parent View from the link in the 'Parents' section of our school website <a href="http://donningtonwoodinfants.co.uk">http://donningtonwoodinfants.co.uk</a> or at <a href="https://parentview.ofsted.gov.uk/">https://parentview.ofsted.gov.uk/</a>
