Newsletter

Friday 15th September 2023

It has been a super week getting everyone settled into new learning. During the year we are planning lots of different opportunities for you to find out about your child's learning and how you can support them at home. Next week there are welcome meetings for children in school and the week after an information session about phonics and early reading.

Do you want to help your child learn to read?

Come along and meet with us to find out how we teach the children in school and what you can do to help at home.

Reading at home

Now that start of year assessments have been completed, children in school are starting to bring books how to read. We know that regular reading to an adult can support children to make fantastic progress with learning to read, and becoming fluent readers. Please encourage your child to read regularly at home so they can collect their prize in school. We expect children to read at home at least 3 times per week. If you have any questions about reading at home then please talk to your child's teacher or contact the office who will pass a message to your child's teacher.
