

Donnington Wood Infant School & Nursery

Newsletter

Friday 1st December 2023

It has been another busy week in nursery and school. It is really good to see children so keen to learn new things and enjoy learning so much. Our Governing Body are looking to recruit another Parent Governor. You do not need any specific skills to be a Governor, just a desire for our school and nursery to be the best they can possibly be. Governors all meet together twice per term and in smaller groups a couple of times each term. Information was sent home earlier in the week. If you are interested in becoming a parent governor then please let us know. If you would like to know more about being a Governor then please talk to Mrs Boddy or Mrs Bentley.

In the cold and icy weather please be careful on the footpaths and playground. With such a large site it is impossible to grit the whole playground and so there can be icy patches in the morning. The castle and boat are also very slippery when it is wet or icy. Please can children wait with the parents rather than running around.
