Write phase 2 tricky words	Know that people who help us use technology – walkie talkies, sat navs, x-rays
Can write short captions	PSHE
Hears and writes sounds in a CVC word	Building relationships
Forms robot arm letters correctly	
5	Know which words are kind
Know how to use a static tripod grip	Know the services and roles of people in the community and how they make a
Know how to verbalise a story into their play	difference to our lives
Know how to make sentences that are well formed, for example, "I had spaghetti for	Know that the emergency services help keep our area safe & are there to look after us
tea at Jamilia's house	Know that different communities have different celebrations
Listening, attention and understanding	Self regulation_
Know language such as 'first', 'last', 'might', 'maybe', 'above' and 'in between'	Know that they must work hard now in order to be able to achieve the job they want
Know words that describe sequences such as "first we are going to the shop, next we	when they are older
will play in the park"	Know that they must keep on trying to achieve something that is difficult
Begin to answer questions about what they have read	Know how to manage feelings of disappointment/ frustration in failure
Retell stories in their own words	Self management
Begin to answer questions about what has been read in the past in small groups	Know that exercise is good for them
	-
Able to retell parts of a story by looking at a picture	Know what healthy means
Confident to retell a story in role-play	Know different ways to keep healthy
Speaking	Know why we must brush our teeth
Knows occupations found in the community and the roles they play	Know how to brush our teeth
Know a range of stories and the events that happen	Know that they must work hard now in order to be able to achieve the job they want
	when they are older
Know words that describe sequences such as "first we are going to the shop, next we	-
will play in the park"	Know that they must keep on trying to achieve something that is difficult
People, cultures and communities	Know how to manage feelings of disappointment/ frustration in failure
Know the services and roles of people in the community and how they make a	Gross motor
difference to our lives	Know a short sequence of dance movements that fit to a song
	Know a short sequence of dance movements that fit to a song
Know that the emergency services help keep our area safe & are there to look after us	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike
Know that the emergency services help keep our area safe & are there to look after us	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR)	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,)	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance)	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds Know how to hop
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds Know how to hop Fine motor
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington)	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington) To know address(es)/where I live	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip Forms robot arm letters correctly
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington)	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington) To know address(es)/where I live	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip Forms robot arm letters correctly
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington) To know address(es)/where I live Know that all houses have a different address. We need an address to post a letter	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip Forms robot arm letters correctly Know how to control and move scissors to cut different shapes
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington) To know address(es)/where I live Know that all houses have a different address. We need an address to post a letter Recognise landmarks in the local area	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to bend knees when landing a jump Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip Forms robot arm letters correctly Know how to control and move scissors to cut different shapes Know motions to move hands to form different shapes with malleable materials Know how to 'stab' food with a fork
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington) To know address(es)/where I live Know that all houses have a different address. We need an address to post a letter Recognise landmarks in the local area Past and present	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to stop a balance bike moving Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip Forms robot arm letters correctly Know how to control and move scissors to cut different shapes Know motions to move hands to form different shapes with malleable materials Know how to 'stab' food with a fork Know that you can cut with a knife by sawing (moving backwards and forwards)
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington) To know address(es)/where I live Know that all houses have a different address. We need an address to post a letter Recognise landmarks in the local area Past and present Say which month their birthday is in	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to stop a balance bike moving Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip Forms robot arm letters correctly Know how to control and move scissors to cut different shapes Know how to 'stab' food with a fork Know that you can cut with a knife by sawing (moving backwards and forwards) Can use mark making tools to colour inside lines
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington) To know address(es)/where I live Know that all houses have a different address. We need an address to post a letter Recognise landmarks in the local area Past and present Say which month their birthday is in Know the days of the week in order and know which day comes next	Know a short sequence of dance movements that fit to a song Know that you can show emotions through dance Know how to walk feet to move on a balance bike Know how to stop a balance bike moving Know how to stop a balance bike moving Aware of the space around them when travelling at different speeds Know how to hop Fine motor Know how to use a static tripod grip Forms robot arm letters correctly Know how to control and move scissors to cut different shapes Know motions to move hands to form different shapes with malleable materials Know how to 'stab' food with a fork Know that you can cut with a knife by sawing (moving backwards and forwards)
Know that the emergency services help keep our area safe & are there to look after us To know key facts about the Easter story Know that different communities have different celebrations (BR) Know that different occupations work in different buildings (and outdoors – eg gardeners, farmers,) Talk about the occupations they find in the local area (doctors, optician, ambulance) Name some local landmarks Understand that not everyone lives in the same place (Donnington) To know address(es)/where I live Know that all houses have a different address.
