

Donnington Wood Infant School & Nursery

Newsletter

Friday 8th March 2024

On Monday our duck eggs arrived and by Tuesday morning we had 5 beautiful ducklings. The children (and staff) are really enjoying having the ducklings in school and watching them grow. Check out our Facebook page for some photos. Classes 5 & 6 (Reception) enjoyed a visit from the Dental Nurse on Monday as part of learning about people who help us. They were also able to find out more about dental hygiene and share what they have learned as part of Brilliant Brushers.

It was fantastic to have so many parents in school and nursery during the day yesterday for our World book day activities. The children really loved sharing stories and activities with you.

This week we have received 5 fruit trees as part of a project working with Veolia. Over the next two weeks some children will be taking part in a workshop with Veolia and we will be planting the trees in the school grounds.

Could you help our school?

There is currently a vacancy on the Governing Body for a parent governor. Governors play a key role in making sure our school and nursery are the best they can be. If you would like to know more about being a governor then please talk to Mrs Boddy or Mrs Bentley (in the office).
