Supervision

Please can we remind parents that

children remain your responsibility

before and after school & nursery

sessions. Children (including older /

younger brothers and sisters) must

stay with parents at all times.

If there are any issues between

children before, after or during school

or nursery then please let us know so

that we can look into it. We will then

be able to talk to everyone involved

and avoid confusion or upset between

parents.

Please make sure you let us know if

someone different is collecting your

child from school or nursery. You can

either phone the office or tell a

member of staff on duty on the

playground in the morning.

Now that December has arrived there are preparations for Christmas happening across school and nursery. It is lovely hearing different groups of children practising songs ready for Christmas.
