## Friday 17th January 2025

On Monday and Tuesday Classes 5 & 6 took part in road safety training. They worked very hard in class and then went out for a short walk to practice what they had learned. Everyone remembered the 'safe side' to walk, where to stand when crossing the road and how to check it is safe to cross. Well done Reception!

Please can we remind everyone that bicycles and scooters (including electric scooters) should not be ridden on the school site at any time so that we can keep everyone safe.
