On Tuesday Classes 1 & 2 enjoyed a day using clay to make different types of pots. They worked really hard to learn new techniques and the pots look really fantastic.

The builders have continued to strip off the old roof and install the new roof structure. During half term the work on the hall and kitchen area of school should be completed. This will also include upgrading the lighting and installing some new windows in the hall. We are looking forward to seeing the updates when we return after half term.

There have been a number of concerns about parking and road safety this week. Please make sure that if you need to cross the road you do this from a safe place rather than from behind a parked car.
